OPTOMETRIST LOCATED IN BOYNTON BEACH, FL

Michael L. Levine, M.D., F.A.C.S. > Providers > Christopher S. Castello, O.D.

About Dr. Christopher S. Castello, O.D.

Christopher S. Castello, O.D., received a Bachelor of Science degree from Florida Atlantic University in 1992 and a Doctorate in Optometry from Nova Southeastern University College of Optometry in 1997. He is a Board Certified Optometric Physician who specializes in the treatment and management of eye diseases. Dr. Castello performs routine eye exams including refractions, Dr. Castello is also trained in the co-management of cataract and glaucoma patients.

Dr. Castello joined Dr. Levine in 2008. Since that time Dr. Castello has performed thousands of pre and post-operative examinations. He has also gained valuable experience in evaluating and treating a wide variety of ocular conditions.

He is an active member of the American Optometric Association and the Florida Optometric Association. Dr. Castello was President of the Palm Beach County Optometric Association, 2006-2007. He also served as an adjunct clinical professor for Nova Southeastern College Of Optometry in Davie, Florida, for 4 years. This position entailed educating and overseeing the clinical skills of fourth year students.

Dr. Castello was born in Yonkers, New York, on March 2, 1967. He is the proud parent of Nicholas and Christopher. Dr. Castello enjoys golfing in his spare time.
